RIX CORPORATION Announces Relocation of Head Office

RIX CORPORATION (the "Company") decided to relocate its head office as follows.

1. Planned Relocation Address

S-GATE FIT Higashi Hie 5F, 1-4-10 Higashi Hie, Hakata-ku, Fukuoka-shi, Fukuoka

2. Time of Relocation

Scheduled for September 2025

3. Reason for Relocation

Approximately 48 years have passed since the current head office building was completed, and the building and facilities are now aging. As a result of considering how to create a workplace environment where employees can work with a greater peace of mind and an office where they can choose more flexible working styles to enhance their work-life balance, it has been decided to relocate the head office.

4. Impact on Business Performance

The current head office building will be demolished after the relocation. We are currently considering how to utilize the site after demolition, and if any matters arise that should be disclosed, including any impact on business performance, we will disclose them immediately as they arise.

5. Other Matters

The Company's Articles of Incorporation stipulate that its head office shall be located in "Fukuoka City" and because the relocation is within this city, there will be no change to the Articles of Incorporation.
