Notice Concerning Establishment of a Subsidiary in Vietnam

RIX CORPORATION (the “Company”) hereby announces that, at the meeting of the Board of Directors held today, it has resolved to establish a subsidiary in Vietnam.

1. Purpose of establishment

While many countries in Southeast Asia are struggling with economic stagnation due to the slowdown in the Chinese economy, Vietnam alone has maintained a GDP growth rate of approximately 7%. Since joining the World Trade Organization (WTO), Vietnam has eased restrictions on foreign investment, creating more favorable environment for trade. In addition, given Vietnam’s population of nearly 100 million and its sizable consumer market, the Company aims to promptly establish a sales and service structure for its own products and those of its group companies, gain a competitive advantage over competitors, and expand sales in the ASEAN region. For these reasons, the Company has decided to establish a subsidiary in Vietnam.

2. Overview of the subsidiary

(1) Name	RIX Vietnam Co., Ltd. (tentative name)
(2) Location	Ho Chi Minh City, Socialist Republic of Viet Nam
(3) Representative	To be determined
(4) Date of establishment	April 2027 (planned)
(5) Business activities	Import, export, sale, repair, and maintenance of industrial machinery and parts
(6) Capital	¥60 million
(7) Ownership ratio	100% owned by the Company

3. Future outlook

This matter will have a minimal impact on the Company’s consolidated financial results for the fiscal year ending March 2027.
